

Radical Software VOLUME ONE

BACK ISSUES

THE COMPLETE SET OF ISSUES 1-4

AND/OR

We get a lot of orders for back issues of **Radical Software** because as a set they are a good overview and introduction to the whole notion of alternate technologies for alternate cultures. In fact, we've had to reprint several of the issues.

Now, we've reprinted again and can sell full sets, including the previously out-of-print first issue. (Issue five is the one you're reading, and can be ordered separately. Issue six is the book, **Guerrilla Television**, published by Holt, Rinehart and Winston, which can also be ordered separately).

To do this, we've set a standard price of \$3.00 apiece for issues one through four, but are offering the complete set at a discount price of \$10.95, which will include a binder. We will also continue to supply bookstores provided they order a minimum of ten copies per issue.*

* Does not include **Guerrilla Television** which can be ordered through regular distributors.
